The present terms and conditions cover all holiday rentals at Kanopée Village. They are considered as an integral part of any contract made out between the campsite and the customer. A campsite pitch rental or a holiday rental implies the total acceptance of the terms and conditions by the contracting parties. The present contract is not subject to the conditions as specified in a tenancy agreement, but to those of the decree 93-39 of 11/01/1993 from the judgment of 11/01/1993 presiding over the camping/caravanning industry.

• Booking procedure:

Bookings are treated from 1st January in a chronological order according to the reception by our service. Please be aware that a booking is strongly advised, particularly for the months of July, August and September. You can book directly online (<https://www.kanopee-village.com>) or make an option by post or by email. In return you will receive 2 booking forms. You then have 10 days to confirm this option by returning one booking form completed and signed together with an advanced payment of 30% of the total amount of the booking (deadline to be respected according to the post office stamp date). Your booking is only confirmed on receipt of these documents by our service. We will then send you a confirmation by return. The rental of a camping pitch or of a chalet, mobile-home accommodation indicates full acceptance of the sales terms by the contracting parties.

• Camping pitch hire :

We will provide you with an empty camping pitch, for up to 6 people, on which to install your tent, caravan or camping car between 1st April until 30th September.

Camping pitch fee: Rates are calculated per overnight stay. The price is in Euros, VAT included, not including tourist tax (0.55€/adult/day). Places are available from 14:00 on the day of arrival and must be vacated before 14:00 on the day of departure. Any overrun of the departure deadline will result in invoicing for an additional day. The fixed fee includes: a structure and a vehicle. This fixed fee gives free access to the sanitary arrangements, reception area, swimming pool (between the dates it is open), and the game areas and entertainment activities (in July and August). Some prices may include 1 or 2 people (see if specified on the price list).

Supplements: Additional people (adults or children) or additional items occupying the camping place (second vehicle, animal, etc.) will be the subject of a daily supplement. Please note: the places are given without any difference, according to the booking rank. The Management reserves the right to modify the place number when the camper arrives.

Should this not be the case, the following sums will be deducted from the guarantee deposit:

The value of any missing items

A fixed sum of 100€ for premises considered not to have been properly cleaned. The amount of any repairs for damage for which the occupier is responsible.
